MEMORANDUM FOR: Acting Chief, DPD-DD/P

ATTENTION: [REDACTED] DB/DPD-DD/P

50X1

SUBJECT: Addition of Grids to KH Photography

1. The Service/Agency Detachments were canvassed to determine what the position of their parent organizations would be with regard to the placement of grid ticks along the edge of each KEYHOLE photograph. Attached are their individual positions.

2. In view of these responses, NPIC cannot recommend proceeding with the construction of a grid titler as proposed by Mr. Ed Green. Of primary consideration is the fact that grid titling could possibly create delays in film duplication at EK.
